

NEW IN 2011
BASED ON THE COMIC BOOK SERIES:

Written by: Richard F. Roszko
Genre: Science Fiction / Adventure
Website: DreadnoughtSeries.com

Synopsis

Dreadnought: Invasion Six, scifi/adventure, is set in the distant future. Newlyweds, Ranor and Alianna, get separated during a massive invasion. With all communications cut off, each must fight to survive on their own not knowing if the other is alive.

Ranor's space fleet is on its way to pick up Alianna just as Alianna's planetary base is decimated by an invading force. Panicked leaders send Ranor's fleet into a pointless and unwinnable battle.

Only Ranor's ship survives the onslaught. Damaged beyond repair, Ranor retreats to a secret outpost where he finds a top-of-the-line Dreadnought and prepares to destroy the invaders...
